## IN PARIS, TENNESSEE

One of the best ways to EXPERIENCE PARIS is to pull up a chair, open a menu and have a taste! Whether you're feeding the family, enjoying a night on the town, or out for a romantic date night... we have delicious options.

As the home of the **World's Biggest Fish Fry**, our area is well-known for delectable fried catfish... and barbeque runs a close second. Between **Trolinger's Old Fashioned Butcher Shoppe** and **Perry's BBQ**, Paris boasts the best around! Take home mouth-watering barbequed pulled pork, beef brisket, ribs, chicken and more, all with local signature sauces!

En route to Kentucky Lake, **PerryLogic Brewing Company** is an authentic destination with hand-crafted beer and innovative meals that make folks happy they stopped in.

Looking for options at the water? **The Breakers**, **Blues Landing**, **Oak Tree Grille**, **Marker 66**, **Cypress Springs** and **Fat Daddy's** are local favorites! From Cajun-influenced surf and turf to great steaks, these restaurants offer relaxing, indoor/outdoor dining and full bars, plus and live music on weekends.

Want to eat Downtown? **Uncle Billy's Downtown Eatery** offers a tasty lunch menu full of delicious, homemade meals with tasty options for health-conscious diners. For burger gurus, **LL's Bar and Grill** has trophies that celebrate their award-winning hamburgers.

A Paris staple for well over a decade, locals rave about **The Olive Pit**, This restaurant draws customers from around the region who appreciate a variety of pastas, a massive ribeye, and of course their signature dishes, OP Bow tie pasta or Jason's Spicy.

Got a craving for Mexican Food? **El Vaquero** is your go-to for generous portions of authentic meals and signature margaritas. **Ace's Restaurant** and **Tom's Steakhouse & Pizza** are popular destinations for diners searching for soul-satisfying, specialty pizzas, a vast salad bar, or an expansive menu of American classics.

Time for coffee and dessert! **Jack's Java** serves up coffee drinks, smoothies and homemade pastries topped off with a cool, downtown vibe. Try **Cherry's Broadway Brew**, named for hometown Tony and Emmy award-winner, **Cherry Jones**. Right next door, satisfy your sweet tooth at **Market Street Bakery**.

Don't miss **Sweet Jordan's Bakery, Restaurant and Ice Cream Shop** with its abundant variety of scrumptious, homemade cookies and ice creams, plus tasty soups and sandwiches. With a delightful indoor play area, this spot is definitely kid-approved. Next door, **Sweet Jordan's Coffee Company** offers a relaxing atmosphere and a menu brimming with tempting options. Meet **Jordan St. John** and his teammates in one of the most inspiring work environments.

As more people are finding their way to Paris, we are finding ways to grow... with restaurants like **Moustos...** which boasts a vast menu of authentic Italian and grilled options in one of the most elaborate settings in the region. Take some time to catch a local food truck as your out and about. **Handheld Food Truck** offers a menu of fresh options including Asian Style Wonton Chicken Tacos and Buffalo Chicken Sliders. Want your meal delivered? Order online and **Take Out 2 You** will bring it to your doorstep!

There are hundreds of ways to enjoy our area, but sharing a meal from one of our many locally owned restaurants, cafes, deli's and dives is among the best. For more information, reach out to the Paris-Henry County Chamber of Commerce by visiting their website or any of their social media platforms.

**Experience the eateries of Paris... It's a mouth-watering good time!**

# EXPERIENCE

## PARIS, TENNESSEE

Locals and visitors alike are welcome to experience Paris, Tennessee. No matter the season, you'll enjoy getting off the beaten path in rural Northwest Tennessee, home of friendly folks with a slower pace, scrumptious food, memorable festivals, intriguing history and breathtaking natural areas.

January offers the chance to learn about feathered friends during the Wings of Winter Birding Festival on Lake Barkley and Kentucky Lake. Migratory birds on the Mississippi River flyway offer a chance for both seasoned birders and newbies to enjoy a variety of field trips, meals, speakers and local culture. Don't miss the waterfowl behind sanctuary gates at the Tennessee National Wildlife Refuge, tours with world-class birders, birding while sailing on an excursion yacht and more during this three-day event.

World's Biggest Fish Fry – the name says it all! Travel to Paris the last full week of April each year to experience nonstop, family fun and fabulous food. Twelve thousand plates of mouthwatering catfish are fried up and served with all the trimmings, so get a second helping, watch the exciting bull riding, take a turn on the Tilt-A-Whirl and get cotton candy for dessert.

Experience the Fish Fry like a local with kid-approved favorites, including the grand parade, junior fishing rodeo, bed races, small fry parade, chalk crawl and the ever-popular catfish races. Enter this outlandish event for your best selfie ever. It's even considered good luck to kiss the catfish!

If you're seeking that magical combination of music, water and good times with great friends, look no further than the Tennessee River Jam, held the last weekend in June. It's not just a concert; it's four days of live performances with unique backdrops featuring a wide variety of genres from classic country to Americana, R&B to bluegrass.

The venues are as varied as the musical genres and include family-friendly eateries, hopping bars, classic marinas, local performing arts center and fabulous amphitheater. Set against the shimmering backdrop of Kentucky Lake at Paris Landing State Park, the signature event can be experienced from the water or the riverbank, an incredible night in the making.

In late July, embrace summer with an old-fashioned Ice Cream Social and Antique Car Show on the courthouse lawn. It's the perfect setting to cool down with a cold sweet treat, family friends and classic cars. Poke around the oldest working courthouse in West Tennessee. This 1895 showpiece makes a great backdrop for photos.

When Christmas rolls around, even Santa heads to Paris! He is the main attraction on weekends and for the exciting Holly Jolly Electric Christmas Parade. With Santa, a marching band, thousands of twinkling lights and delightful, welcoming boutiques, Downtown Paris is like a Hallmark Christmas movie.
