

2023 OFFICIAL RULES

Official Rules / Changes

Participation in the 2023 Pickwick Slam presented by Evolution Fishing constitutes each contestant's understanding of and full and unconditional agreement to and acceptance of these Official Rules. Contestants must obey all State, Federal and local fishing and safety laws. The Tournament Director reserves the right to penalize or disqualify any contestant that is determined to be in violation of any term contained in these Official Rules. The Tournament Director's decision not to enforce a specific provision of the Official Rules does not constitute a waiver of that provision or of the Official Rules generally. Interpretation of these rules will be left exclusively to the Tournament Director. Decisions of the Tournament Director are final in all matters and are not subject to appeal. At the sole discretion of the Tournament Director, entry may be refused to any individual or university fishing club/team. Protests must be made in writing within 15 minutes of the official check-in time of the final flight.

Captions

The captions at the beginning of each paragraph are intended to facilitate convenience in referring to the various rules. The captions are not part of the substance of the paragraph and should not be used in construction of any paragraph or of this overall set of rules.

Pickwick Slam presented by Evolution Fishing Format

The Pickwick Slam presented by Evolution Fishing is a two-day, two-angler team format. A team consists of no more than two anglers fishing from the same boat. The full field will compete both days. Anglers will be allowed to fish alone with permission of Tournament Director. The Tournament Director may assign a non-fishing observer to accompany any angler fishing alone.

Winners will be determined by the heaviest accumulated weight per team. The two (2) highest finishing teams for each college/university will earn Bass Pro Shops School of the Year points for their respective schools. If a school has only one or two boats in the event those boats will be awarded points based solely on their finishes.

Pickwick Slam presented by Evolution Fishing Registration

Registration for the event opens on Tuesday, January 3, 2023 and closes on Sunday, April 16, 2023 at 6:00 pm CT.

****Anglers wishing to register in person at the event location will need to notify staff in advance.**

Angler Check-in & Pre-Tournament Meeting

Each contestant **must check-in** in person at the designated site during the official on-site check-in by 6:00 pm CT on Friday, April 21, 2023. All contestants must be present during the pre-tournament meeting unless authorized otherwise by the Tournament Director.

Participation / Eligibility

Participation is open to college students who are **enrolled full-time** in an accredited college or university and are members in good standing of that college or university's institutionally recognized fishing club that has been cleared to compete and represent their college or university. Participants must have an overall GPA of 2.0 or higher.

Students who graduated within five (5) months of the tournament date are eligible to compete. **All participants will be required to show a current student ID and a state issued photo ID at registration.**

Each team must provide its own equipment including, without limitation, fishing equipment and a boat, all subject to the restrictions contained in these Official Rules.

All contestants must have in their possession a valid fishing license for the specified tournament waters being fished. Licenses must be purchased prior to official practice days.

Off-Limits / Pre-Tournament Practice

Tournament Waters are now defined as navigable waters of Wilson and Pickwick Lake. At no time may teams leave a boat to push it into and out of an area. Anglers must be able to use their motor (combustion or electric) to enter and depart a fishing area.

A valid Alabama fishing license is required for this event.

There will be no off-limits period for this event; however, the first official practice day will be Thursday, April 20, 2023.

Final official practice day will be Friday, April 21, 2023 and all contestants must be off the water by 3:00pm CT. No exceptions.

Specific Examples

No contestant may be on the tournament waters after 3:00pm CT on Friday, April 21, 2023, except during tournament day hours.

ADDITIONAL Restrictions

During the official practice days and competition day, contestants may not solicit and/or receive fishing information from anyone except other contestants.

Non-competitors (family, coaches, friends, etc.) are allowed on-the-water during **practice or tournament hours however they cannot share any information or gear in any manner that benefits competitors in the event.**

Non-competitors (family, coaches, friends, etc.) on the water cannot provide anglers with an advantage.

-For example: cannot deliver baits, fuel, gear, etc.

-No communication regarding fishing conditions or any other information resulting in knowledge about lake/fishing is allowed. This includes, but is not limited to, providing updates on how any other team is currently doing at the event.

For an angler to receive assistance regarding non-emergency issues, such as mechanical help, the boat must be beached or tied up to a dock for bystander to get in the boat to assess issues, unless otherwise approved by tournament officials.

Beginning with official practice and extending through competition, non-competitors (family, coaches, friends, etc.) are **not** allowed to be in the boat with contestants except in the event of an emergency (rescue, mechanical breakdown, etc.).

GPS waypoints may not be provided to contestants by anyone except other contestants. Contestants may not follow a non-competitor's boat or participate in the practice of "hole sitting" or the placing of markers by anyone.

The purchasing or bartering for information or the hiring of services is not permitted after the start of the off-limits and official practice period.

Any anglers caught in violation of the rules above, will result in a penalty to be administered by the Tournament Director, up to and including disqualification.

The use of cellular phones will be allowed during tournament hours for the following reasons.

- a. To send pics or location to the Association of Collegiate Anglers Staff.
- b. Post photos and videos from the event on fishing related sites by anglers promoting the event and action.
- c. Emergency situations.

Safety

Safe boating must be observed at all times. Contestants must observe "no wake" areas including **posted** bridges and other areas identified by the Tournament Director.

Each contestant is required to wear a fastened, U.S. Coast Guard approved, personal flotation device at all times when the combustion engine is in operation, during official practice days, and during the tournament days. This includes launching and loading of boats.

All boats must be equipped with an emergency ignition shut off device that must be securely attached to the driver's body whenever the combustion engine is in operation this includes launching and loading of boats. At the discretion of the Tournament Director, tournament days may be shortened, postponed or canceled due to unsafe weather or water conditions.

Any anglers caught in violation of the rules above, will result in a penalty to be administered by the Tournament Director up to and including disqualification.

Sportsmanship

All contestants are required to follow high standards of sportsmanship, courtesy, and conservation and to conduct themselves in a manner that will be a credit to themselves, their school, event sponsors, the sport of fishing and the Association of Collegiate Anglers. Examples of conduct not complying with those standards include, but are not limited to, the following:

- Violation of or failure to comply with any of the official rules for the Tournament.
- Consumption and/or possession of any alcoholic beverages or any kind of mind-altering substance during practice days, registration/check-in, the pre-tournament meeting or during tournament hours extending through the weigh-in are strictly prohibited.
- Conviction of a felony within the past 36 months.
- Suspension/disqualification from any fishing tournament or organization.

In other words, conduct or actions reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition and compliance with tournament rules, or which fail to comply with the standards set forth in this paragraph. Disqualification both for the college/university fishing club and anglers committing the violation is possible from future ACA events for failure to abide by these rules. The determination of the ACA staff is final in these rulings.

In case of any conduct not complying with the standards, the Tournament Director shall have the right to refuse any application, or to deny a confirmed application, by returning the registration of a previously accepted application to disqualify a contestant.

Boat and Horsepower Regulations

All boats must be a minimum of 16 feet in length. No cumbersome crafts will be allowed.

All boats must be equipped with wheel steering; no other steering device will be permitted.

Each boat must have all required U.S. Coast Guard required safety equipment.

Boats must contain a properly aerated live-well capable of maintaining alive a limit of bass.

Maximum horsepower for all outboards used in the Tournament may not to exceed the horsepower set forth on the “Maximum Capacities” placard described below.

- Each boat must have a clearly legible “Maximum Capacities” placard that includes a maximum horsepower rating affixed to the boat by the manufacturer. The horsepower of the outboard engine must not exceed the maximum horsepower capacity specified on the boat placard. By registering for the Tournament, each contestant agrees to submit his or her boat and/or motor to an inspection by the Tournament Director.
- Falsifying information on entry forms or altering the horsepower numbers on the motor or “Maximum Capacities” placard will be cause for disqualification from the Tournament and may result in ineligibility to compete in future events.
- No platforms may be used during tournament competition to gain height advantage.
- Fuel may be carried only in factory installed (built-in) fuel tanks. Any additional fuel used during the tournament day must be purchased from a retail facility open to the public. Fuel must be pumped directly into the boat using a hose and nozzle.

Permitted Fishing Methods

All bass must be caught alive in a conventional sporting manner.

When sight fishing, all bass must be hooked inside the mouth.

Only artificial lures may be used except for pork rinds.

Only one fishing rod per angler may be used at a time. Additional rods may be in the boat and ready for use; however, each cast and retrieve must be completed before another cast is attempted or rod is used.

Trolling, defined as moving the bait with the assistance of the combustion engine, as a method of fishing is not allowed.

No strolling or long-lining will be permitted.

All bass must be caught alive, in a conventional, sporting manner.

All angling must be conducted from the boat.

At no time may a contestant leave the boat to land a fish, or to make the boat more accessible to fishing waters.

Bank fishing is not permissible.

Permitted Fishing Locations

Official tournament waters will be Pickwick and Wilson Lake. Anglers cannot lock through the Pickwick Dam, or lock up to Wheeler Lake.

Contestant's may fish anywhere on tournament waters available to the public and accessible by boat, except areas designated as "Off-Limits", "No Fishing", "No Boats", "Boats Keep Out", etc. by local, state or federal officials. Contestants are prohibited from casting into these areas or having their boat in these areas at any time. Contestants may not fish within 50 yards of a competitor's boat that was first anchored (an anchored boat is a boat held in a stable position by a line attached to a weight or a Power-Pole anchor with the trolling motor in the up position).

At no time may a contestant leave the boat to land a fish or make the boat more accessible to fishing waters.

Contestants must leave and return to the official checkpoint by boat.

The boat must remain in the tournament waters during the tournament day.

No tournament boat may be loaded on the trailer before weigh-in except with the permission of the Tournament Director.

In the event of equipment failure or emergency, there will be only two permitted methods of returning to the official checkpoint:

- By the team members remaining in their boat and being towed in by water, by any other boat.
- By one or both team members boarding another competitor's boat to be brought to shore.

Under these conditions the team catch may be counted without a penalty (except for late penalties, fish care penalties or other penalties pertaining to other tournament rules). Contestants who elect to return to the official checkpoint by any other means than cited above will forfeit their day's catch to that point in time in the tournament day. Any contestant returning to the checkpoint will be eligible to restart and resume competition under the supervision of the Tournament Director or his designated Tournament Official. It is the sole responsibility of contestants to locate the Tournament Director to request a restart.

Official Checkpoints

There will be only one official checkpoint for boat check-in in the morning and one official check-in point in the afternoon. Failure to go through boat checkpoint in the morning or failure to check-in at the official checkpoint in the afternoon will result in losing credit for that day's catch. All competitors and their boats must be in full compliance with tournament rules before they can depart from the official checkpoint in the morning. All contestants **MUST** check-in in the afternoon even if they don't have any fish to weigh. All fishing must cease upon check-in in the afternoon.

Late Penalty

Contestants who are not at the official check-in area at the appointed time will be penalized one (1) pound per minute deducted from the total weight including any weight to be counted toward a

big bass award. Any contestant more than fifteen (15) minutes late will lose credit for that day's weight.

Live Fish

Every effort must be made to keep bass alive through the use of a properly aerated live-well.

The use of live-well additives is encouraged to promote the healthy return of bass to their natural habitat. A half-pound (.50 pounds) will be deducted from the total weight for each dead bass presented for weigh-in. Contestants are not allowed to cull dead fish for any reason.

Scoring

Scoring will be determined by the weight of each team's catch, including any penalty assessments.

Only Largemouth, Spotted, and Smallmouth bass are accepted species.

The limit will be five (5) bass per team. Teams may not have more than five (5) bass in the live-well at any time unless actively culling. Culling must be done immediately.

The official minimum lengths will be announced during the Pre-Tournament Meeting prior to the first tournament day. Any fish which fail to measure the prescribed minimum length, will not be weighed and will be penalized at the rate of one (1) pound for each short fish presented.

Bass Pro Shops School of the Year presented by Abu Garcia points will be based off each team's catch in relation to the final standings. Only the top two (2) teams from a college/university will be eligible to earn points in accordance with the School of the Year program rules. Teams must weigh a fish to earn points.

Ties

In the event of a tie, the heaviest one-day catch will break ties on the final day. Ties for all other places will be determined by a coin flip.

Television Coverage

During all televised events, competitors may not fish while using tobacco products when the camera is filming them. Smoking or the use of tobacco products is also not allowed in weigh-in lines.

All contestants must allow camera boats to follow and be in their boats during this event upon request from the Association of Collegiate Anglers. Refusal to do so will include penalties up to and including disqualification.

Truth Verification Test

Each contestant agrees to submit, by signature on the release form, to a polygraph or voice stress analysis examination and to abide by its conclusion. Failure to pass an examination will result in disqualification. Truth verification tests will be used at the Tournament Director's sole discretion, and the determination of the meaning of the results will be made solely by the Tournament Director.

Insurance

Watercraft liability insurance will be the responsibility of each angler. It must have the minimum coverage that the state requires and is mandatory of all contestants participating in the tournament.

Other

Association of Collegiate Anglers (ACA) offers numerous discount and contingency programs via our partners. Any mis-use of these discount or contingency programs, including but not limited to providing discount codes or products purchased using these discount programs to another person, even if that other person is also a collegiate angler, or posting discount codes on-line for others to use is a violation of ACA and discount and contingency program rules. In addition, to qualify for a contingency program, anglers must fully meet requirements of that contingency program rules and standards. Failure to obey and abide by any rules may result in a contestant and/or the contestant's school bass fishing club being penalized. These penalties are invoked solely at the discretion of the ACA and Tournament Director and can be applied to the individual contestant or school bass fishing program. Penalties may range from not being allowed to receive / utilize any collegiate discount or contingency program in the future, up to disqualification in events and banishment of the school from competing in ACA events.

The Tournament Director, ACA staff reserve the right to determine any punishment for any violation of the above rules based on their determination of the severity of the violation.
