- The entry fee per event will be \$100 per boat, payable to the PBC Tournament Trails for the event.
- Entry fees may be paid online at <https://pbctournamenttrail.com/college-registration>.
- Online fee payment will close at 7 pm the night before the tournament. Fees may be paid in cash at the ramp.

Eligibility:

- Each College Angler must be a member of BASS.
- Participants must be members in good standing of their college Team/club, and have appropriate releases completed and on file.
- College Anglers must be enrolled in school for the entire school year.
- Each Team/club will be responsible for maintaining permission slips and liability releases for each participant, and for verifying insurance coverage for each participating team boat. Each Team/Club is also responsible for providing a signed copy of Liability releases per participant to the Tournament Trail Director to be maintained on file.
- All participants must have a valid fishing license.
- Every participating Boat must carry \$300,000 minimum liability insurance. A copy of this insurance must be on file with their club. Random checks on tournament day may be conducted.

Points System:

- A 250-point system will be used for each tournament. First place will be awarded 250 points, second place 249, and so on. Teams participating but not weighing any fish will be awarded last place points minus 50.
- Team of the Year will be calculated on the three regular season events. No events will be dropped. The team earning the most points will be the Anglers of the Year. In the event of a tie, the total weight will be the 1st tie breaker and big fish will be the 2nd tie breaker.
- No partner substitutions are allowed. One team member may fish by themselves and accrue points for the team.
- School of the Year points will be accrued by adding the top three teams from each school for each tournament. Season totals will be calculated based on the scheduled three events tallied across all participating colleges. In the event of a tie, the total weight (top three teams per event) will be the tie breaker.
- School points will be awarded based on the school's finish in each tournament as calculated by their top three teams.

Awards:

- 20 boat minimum field pays 1st place guaranteed \$1000.00.
- Minimum payout will be three places. Additional places will be paid based on field size, on a 1 in 7 scale.

Tournament Registration:

- Registrations are due in by midnight on Wednesday before the tournament.
- State registration numbers (Example: SC-1234-AB format) will be submitted with the tournament roster for each event.
- Blast off order will be posted to the Facebook page and the PalmettoBoatCenter.com website on Friday.
- Blast Off order will be random draw for all Pre-Registered Teams (Teams registered by Wednesday tournament week).
- 15 late entries (after Wednesday deadline or at boat ramp registration) will be held open. Late entry blast off numbers will be randomly distributed within the field.
- If your school offers a team/club, you must participate with that club.

Tournament Rules:

1. Boats must always maintain a safe operating speed. Violators will be disqualified.
2. All state fishing rules and regulations apply during tournaments, including fishing license and boating regulations.
3. Anglers enrolled and attending college and have registered rosters and paid club dues.
4. All school rules apply during fishing tournaments.
5. Team Jerseys should be worn throughout the competition, if available.
6. Neither coaches nor anglers may hire and fish with a guide within 30 days of the tournament.
7. Safety is the number one priority for these tournaments.
 - Teams may be penalized and possibly disqualified for safety violations.
 - All boats must be operated safely at all times.
 - No wake zones must be observed.
 - US Coast Guard approved PFD's must be worn at all times by anglers while the combustion engine is running. PFD's must be worn correctly and fastened when in use.
 - The boat must have an emergency ignition shut off device that is secured to the driver's body.
 - Boats must be covered by current liability insurance with a minimum of \$300,000.
8. Teams will have a 5 fish per boat limit. Teams should not possess more than 5 fish at any time during the tournament. Extra fish must be culled immediately on the water.
9. All fish must be largemouth, spotted, redeye, or small mouth bass that are a minimum of 12 inches in length, unless the lake limit is longer, i.e., 14" on Murray and Greenwood. Fish will be measured with the mouth closed and the tail fanned, not pinched on a golden rule.
10. Dead fish cannot be culled. Dead fish must be kept and brought to weigh in as part of the fish limit. A 1/4 pound or 4 oz penalty for each dead fish will be assessed. This penalty will also apply to big fish, in the event the big fish is deceased.
11. All fish must be caught on artificial lures, and anglers may only use one rod at a time (only one line in the water). Trolling is not permitted.

12. All fishing must be performed from inside the boat. Anglers are not permitted to exit the boat to advance to a position in order to cast or land a fish.
13. Every effort should be made to keep fish alive until they are released after weigh-in. All boats must be equipped with a properly working live well with aeration.
14. Only non-penetrating culling clips and culling beams are allowed for use. Any clips or device that penetrates the skin or mouth of a fish is not allowed.
15. On Time/End of day check in:
 - a. Teams will be issued a numbered key float at registration on the morning of the tournament.
 - b. To be "checked in" in the afternoon, the key float must be turned in to the tournament trailer and displayed on the keyboard.
 - c. Boats that are late to weigh in will be assessed a penalty of 1 pound per minute after the designated check in time.
 - d. After 15 minutes, the team will be disqualified.
 - e. Teams must check in at the end of the day. Failure to check in and turn in their key float at the end of the day will be a penalty for their Team/club.
16. Tournament rankings will be based on the total team weight.
17. If an emergency occurs, the angler should call 911 first, and then notify the tournament director. Any questions or concerns regarding these rules should be brought to the attention of the Tournament Director
18. Launch sequence will be determined by random draw in advance of the tournament for all pre-registered teams. Late entry blast off numbers will be randomly distributed within the field.
19. The violation of a tournament rule by either team member may result in weight loss, the loss of weight up to a time in the tournament day (eligible for a restart), loss of weight for the entire day, disqualification for the entire tournament or, in an extreme circumstance, ineligibility to participate in future events. If a team is disqualified from a tournament their weight will be recorded as 0 lb. However, they will still receive tournament points as if they had just caught no fish. If the director feels that their violation was a willful attempt to gain an unfair advantage or to intentionally cheat, then the director has the right to refuse entry from that team or team members in the future and will inform all members of the situation.
20. Self-Reporting of a Violation: In the event that a team self-reports a violation, they may be given a reduced penalty, or a restart at the discretion of the tournament director.
21. Penalties:
 - a. Short fish = 2-pound penalty per short fish
 - b. Dead fish = ¼ pound per dead fish
 - c. Late check in = One pound per minute
 - d. Over limit (more than five fish) = Disqualification
 - e. Failure to have PFD's on correctly at blast off = delayed blast off. The team will move to the end of the blast offline.
 - f. Kill switch lanyard not connected to driver at blast off – delayed blast off. The team will move to the end of the blast-off line.
 - g. Driving too fast through blast off / waking blast off boat = two-pound penalty
 - h. Failure to check in at the end of the day and return key float will result in a DQ for Club for the event in school of the year points.
 - i. Additional penalties will be defined as needed.
22. Interpretation of the rules will be left to the Tournament Director & BOD members. Any protests must be submitted in writing within 10 minutes of the closing of the scales. All decisions by the tournament director are final.

23. If a rules infraction is observed on the water, **DO NOT CONFRONT THE OFFENDING TEAM.**
 - Document the situation as best as you can, including pictures and video when possible.
 - Take note of the boat manufacturer, color, & Vessel ID if possible.
 - Call the tournament director or host school to report the infraction.
24. Winners and participants are subject to a polygraph exam at any event. Refusal to take a polygraph for any reason will result in disqualification. Anglers must abide by the results of the polygraph exam.
